Tab	Sub-tab	Stat Name	Description
Summary	Horse Summary	CUR HCAP	The current Official Rating/Handicap of the Horse for this specific race type (e.g Flat / Hurdle / Chase / NHF)
		RUNS	The total number of times a Horse has raced in selected time period
		WIN%	Horse overall win% in selected time period. If a Horse has raced 5 times, and recorded 1 win, then the Horse's win% would be 20%
		PLACE%	Horse overall place% in selected time period. If a Horse has raced 5 times, and placed or better on 3 occasions, then the Horse's place% would be 60%
	Horse in Race Type	RUNS (RT)	The total number of races the Horse has had in this race type (e.g Flat / Hurdle / Chase / NHF) in selected time period
		WINS (RT)	Horse total number of wins in this race type in selected time period
		PLACED (RT)	Horse total number of times placed in this race type in selected time period
	Days Since	LAST RUN	Number of days since the Horse last had a race
Ground	Horse on Ground	RUNS (G)	The total number of races the Horse has had on these Ground conditions in selected time period
		WIN% (G)	Horse win% on these specific Ground conditions in selected time period. If a Horse has raced 4 times on these Ground conditions, and recorded 2 wins, then the Horse's win% on Ground would be 50%
		PLACE% (G)	Horse place% on these specific Ground conditions in selected time period
		AVG. SPEED (G)	The mean Average Speed figure the Horse has achieved on these specific Ground conditions in this race type
		MAX AVG. SPEED (G)	The maximum Average Speed figure the Horse has achieved from all it's previous runs on these specific Ground conditions in this race type
Course	Horse at Course	RUNS (C)	The total number of races the Horse has had at this racecourse in selected time period
		WIN% (C)	Horse win% at this racecourse in selected time period
		PLACE% (C)	Horse place% at this racecourse in selected time period
		AVG. SPEED (C)	The mean Average Speed figure the Horse has achieved at this racecourse in this race type
		MAX AVG. SPEED (C)	The maximum Average Speed figure the Horse has achieved from all it's previous runs at this racecourse in this race type
Distance	Horse at Distance	RUNS (D)	The total number of races the Horse has had at this race Distance in selected time period
		WIN% (D)	Horse win% at this race Distance in selected time period
		PLACE% (D)	Horse place% at this race Distance in selected time period
		AVG. SPEED (D)	The mean Average Speed figure the Horse has achieved at this Distance and race type
		MAX AVG. SPEED (D)	The maximum Average Speed figure the Horse has achieved from all it's previous runs at this Distance and race type
Class	Horse in Race Class	RUNS (CL)	The total number of races the Horse has had in this Race Class in selected time period
		WIN% (CL)	Horse win% in this Race Class and selected time period
		PLACE% (CL)	Horse place% in this Race Class and selected time period
	Class Move	UP/DOWN	An indicator to show whether the Horse is running in a higher (^) or lower (ᵥ) class than it's previous race
Handicap	Horse Handicap	CUR HCAP	The current Official Rating/Handicap of the Horse for this specific race type (e.g Flat / Hurdle / Chase / NHF)
		PRV HCAP	The Official Rating/Handicap that the Horse had in it's previous race of this race type
		HCAP MOVE	The movement observed in the Horse's Official Rating/Handicap since it's last run in this race type
		MAX HCAP	The highest Official Rating/Handicap that the Horse has ever been in this race type in selected time period
		MAX WIN	The highest Official Rating/Handicap that the Horse has ever been when winning a race in this race type in selected time period
		MAX PLACED	The highest Official Rating/Handicap that the Horse has ever been when placed in a race in this race type in selected time period
Jockey	Summary	RIDES	Jockey total number of rides in selected time period
		WIN%	Jockey overall win% in selected time period. If a jockey has had 150 rides in total, recording 18 wins, the jockey win% would be 12%
		PLACE%	Jockey overall place% in selected time period
	Course	RIDES (C)	Jockey total number of rides at today's racecourse in selected time period
		WIN% (C)	win% at this racecourse would be 24%
		PLACE% (C)	Jockey place% at this racecourse in selected time period
	Race Class	RIDES (CL)	Jockey total number of rides in race class in selected time period
		WIN% (CL)	Jockey win% in race class in selected time period
		PLACE% (CL)	Jockey place% in race class in selected time period
Trainer	Summary	RUNNERS	Trainer total number of runners in selected time period
		WIN%	Trainer overall win% in selected time period
		PLACE%	Trainer overall place% in selected time period
	Course	RUNNERS (C)	Trainer total number of runners at racecourse in selected time period
		WIN% (C)	Trainer win% at racecourse in selected time period
		PLACE% (C)	Trainer place% at racecourse in selected time period
	Race Class	RUNNERS (CL)	Trainer total number of runners in race class in selected time period
		WIN% (CL)	Trainer win% in race class in selected time period
		PLACE% (CL)	Trainer place% in race class in selected time period
Avg. Speed	Prev Race	AVG. SPEED	The actual average speed value achieved by the horse in it's last race
		+/- to STD AVG	The amount either faster or slower than the THM standard average for these race conditions
		RACE INFO	The conditions of the race and finishing position of the horse in it's last race
	Prev Race (2)	AVG. SPEED	The actual average speed value achieved by the horse in it's second to last race
		+/- to STD AVG	The amount either faster or slower than the THM standard average for these race conditions
		RACE INFO	The conditions of the race and finishing position of the horse in it's second to last race
	Prev Race (3)	AVG. SPEED	The actual average speed value achieved by the horse in it's third to last race
		+/- to STD AVG	The amount either faster or slower than the THM standard average for these race conditions
		RACE INFO	The conditions of the race and finishing position of the horse in it's third to last race
	Prev Race (4)	AVG. SPEED	The actual average speed value achieved by the horse in it's fourth to last race
		+/- to STD AVG	The amount either faster or slower than the THM standard average for these race conditions
		RACE INFO	The conditions of the race and finishing position of the horse in it's fourth to last race
